**Re: Required Submission of Information
Lower Darby Creek Area Superfund Site
Operable Units 1 and 3, Clearview Landfill
Darby Township, Delaware County, Pennsylvania and Philadelphia, Pennsylvania**

Dear Mr. Timm,

The U.S. Environmental Protection Agency ("EPA") is seeking information concerning insurance coverage related to the Clearview Landfill, which comprises a portion of Operable Units 1 and 3 ("OU1 and OU3") of the Lower Darby Creek Area Superfund Site ("Site"), which is located in Darby Township, Delaware County and Philadelphia, Pennsylvania. EPA believes that Century Insurance Group ("Century" or "you") may have information on insurance policies issued to Clearview Land Development Company, Richard Heller, Edward Heller, and/or City Wide Service, Inc. between 1953 and 1986 (see Enclosure E). These parties are henceforth collectively referred to as "the Clearview Entities." The insurance coverage purchased by each of the Clearview Entities may impact the ability of each to pay for the environmental cleanup conducted at the Site. The specific information requested from Century pertaining to insurance policies is attached to this letter as Enclosure E. Further directions regarding your response to this letter can be found in Enclosures A, B, C, and D.

Pursuant to Section 104(e) of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended ("CERCLA"), 42 U.S.C. § 9604(e), EPA has the authority to require you to furnish all information and documents in your possession, custody or control, or in the possession, custody or control of any of your employees or agents, which concern, refer, or relate to the ability of a person, as defined by Section 101(21) of CERCLA, 42 U.S.C. § 9601(21), to pay for or perform an environmental cleanup under CERCLA.

Section 104 of CERCLA authorizes EPA to pursue penalties for failure to comply with that section or for failure to respond adequately to required submissions of information. In addition, providing false, fictitious, or fraudulent statements or representations may subject you to criminal penalties under 18 U.S.C. Section § 1001. The information you provide may be used by EPA in administrative, civil, or criminal proceedings.

Please respond in writing to this required submission of information within **thirty (30) calendar days** of your receipt of this letter.

If, for any reason, you do not provide all information responsive to this letter, then in your answer to EPA you should: (1) describe specifically what was not provided, and (2) provide to EPA an appropriate reason why the information was not provided.

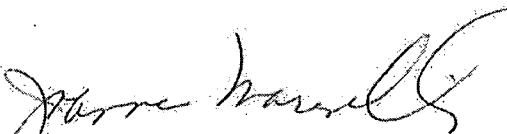

All documents and information should be sent to:

Carlyn Winter Prisk (3HS62)
U.S. Environmental Protection Agency
Region III
1650 Arch Street
Philadelphia, PA 19103-2029

This required submission of information is not subject to the approval requirements of the Paperwork Reduction Act of 1980, 44 U.S.C. Section 3501, et seq.

If you have any questions concerning this matter, please contact Ms. Prisk at (215) 814-2625, or have your attorney contact Bonnie A. Pugh at (215) 814-2680.

Sincerely,

Joanne Marinelli, Chief

Business Confidentiality Claims

You are entitled to assert a claim of business confidentiality covering any part or all of the submitted information, in the manner described in 40 C.F.R. Part 2, Subpart B. Information subject to a claim of business confidentiality will be made available to the public only in accordance with the procedures set forth in 40 C.F.R. Part 2, Subpart B. If a claim of business confidentiality is not asserted when the information is submitted to EPA, EPA may make this information available to the public without further notice to you. You must clearly mark such claimed information by either stamping or using any other such form of notice that such information is a trade secret, proprietary, or company confidential. To best ensure that your intent is clear, we recommend that you mark as confidential each page containing such claimed information.

Disclosure of Your Response to EPA Contractors and Grantees

EPA may contract with one or more independent contracting firms (See, Enclosure B) to review the documentation, including documents which you claim are confidential business information ("CBI"), which you submit in response to this information request, depending on available agency resources. Additionally, EPA may provide access to this information to (an) individual(s) working under (a) cooperative agreement(s) under the Senior Environmental Employee Program ("SEE Enrollees"). The SEE Program was authorized by the Environmental Programs Assistance Act of 1984 (Pub. L. 98-313). The contractor(s) and/or SEE Enrollee(s) will be filing, organizing, analyzing and/or summarizing the information for EPA personnel. The contractors have signed a contract with EPA that contains a confidentiality clause with respect to CBI that they handle for EPA. The SEE Enrollee(s) is working under a cooperative agreement that contains a provision concerning the treatment and safeguarding of CBI. The individual SEE Enrollee has also signed a confidentiality agreement regarding treatment of CBI. Pursuant to Section 104(e)(7) of CERCLA, 42 U.S.C. § 9604(e)(7), and EPA's regulations at 40 C.F.R. § 2.310(h), EPA may share such CBI with EPA's authorized representatives which include contractors and cooperators under the Environmental Programs Assistance Act of 1984. (See 58 Fed.Reg. 7187 (1993)). If you have any objection to disclosure by EPA of documents which you claim are CBI to any or all of the entities listed in Enclosure B, you must notify EPA in writing at the time you submit such documents.
